

At BluePoint Distribution, we specialize in fast, reliable, and efficient distribution for the alternative and tobacco categories, serving both national and independent retailers. Our wide range of premium POS marketing materials ensures that every store, regardless of size or shape, has the perfect solution to boost sales. Our smart distribution service connects you with high-quality alternative, tobacco, vape, and nicotine pouch products, keeping you ahead of market trends and meeting customer demands.

We proudly serve over 6,000 Circle K corporate stores nationwide and are licensed to sell tax-paid products in all U.S. States and Territories, demonstrating our comprehensive coverage and compliance.

Our trend-driven product selection is based on market preferences, giving you a competitive edge. With our efficient distribution network, we guarantee timely delivery and consistent supply, minimizing downtime and ensuring high-velocity sales with average margins between 50-60%. We are dedicated to compliance and safety regulations, and our team of industry experts provides invaluable insights to help you navigate industry changes and keep your business compliant.
